Preparing your children for Trick-or-Treating:

- *Make sure older children go out with friends/groups.*
- *Make sure that younger children are accompanied by an adult.*
- *Set time limits and a route for children as to where they can and can't go and what time they should be home by.*
- *Remind your child to stay away from vacant buildings, wooded lots and to avoid stranger's houses and vehicles.*

After a successful night of Trick-or-Treating:

- *Remind children not to eat any treats until they get home.*
- *Parents should check all treats at home in a well-lighted place. Anything that is not wrapped by the factory or that is not sealed should be thrown out.*
